

September 22, from noon to 1:30, we have the opportunity to hear a presentation on Changes to the Illinois Worker's Compensation Act by Paul Schumacher, of the Roddy, Leahy, Guill & Zima, LTD law offices. After our meeting on ADAA and FMLA this seems like a good follow-up event since Worker's Comp is another major concern of many HR Directors. We will meet in the Club Room at the new Hy-Vee grocery store, 2700 Sycamore Road, Sycamore. (Hy-Vee is in the old K-Mart building near Ollie's Frozen Custard.) The Club Room is along the front of the store. Enter the main doors and turn right and walk down to the room. \$8.00 pays for the use of the room and a light lunch. Please RSVP to me: elaine.cozort@kishwaukeecollege.edu. (note: my old elaineco address will still work.) Looking forward to seeing you there!
